

# Lugdunum Convention 2023

## July 1st-2, 2023

You are all cordially invited to the 2022 edition of the Lugdunum Convention. This year, we are changing the location of the event but we are staying very close to the one we had last year, still very close to the Part Dieu train station in Lyon.

**La Maison des Italiens**  
**82 Rue du Dauphiné - 69003 Lyon**

### Art de la Guerre tournament

This year the theme of the tournament will be Antiquity in the broader sense. All lists 1 to 123 are allowed as well as the Mesoamerican lists 283 to 300 before 1500 AD.

- **Scale:** 15 mm, all figures must be painted, based and representative.
- **List choice:** Only two identical army lists are allowed. The referee will tell you if your list is already taken. The army will be reserved at the time of payment of the registration fee.
- **Army list:** Each player must provide his army composition in 200 points maximum by **Sunday 25 June**. Please use the standard Excel form available on the website.
- **Games duration:** 2 hours 30 minutes with a minimum of 7 turns. The game ends on the defender's turn.
- **Terrain:** Players must bring correct and representative terrain elements. Cardboard pieces and oddly shaped or inappropriate elements are not allowed.
- **Playing area:** For practical reason, tables will be 120 x 75 cm.
- **Rules:** V4 rules with the latest clarifications.
- **Camps looting:** A special bonus of 10 points will be given to the player who looted the most camps during the tournament. Tied players will get a bonus of 5 pts each.
- **Pairings:** Pairings in the first round will be random (avoiding matches between teams of the same club). Thereafter the Swiss system will be used avoiding interclub matches on Saturday and if possible, on Sunday for lower ranked players.
- **Available places:** 40 players.
- **Referee(s):** Hervé Caille.
